usually marked by the Secretary on the Register of District or Municipal Board - The question for consideration is whether the Board can permit a market being held without the sanction of Govt, in his Village & if so whether he can be permitted to levy market fees at rates & the arbitrary fixed by him - When sanction is accorded by Govt for the opening of a market in any Rural Village, the right of the Trader to a reasonable ground-rent may be recognised; but I am not quite sure whether he can be permitted to levy market fees or dues taken for sales. The Govt or the District Board before permitting the opening of a market has to consider how it would affect other markets in the neighbourhood - What provision if any may be made for sanitation, public safety or convenience.

Government Order No. 11022-9—L. B. 248-13-1[illegible] dated 4th May 1914 calling for the opinion of the District Boards on the subject of bringing under their control all private markets in their respective districts, in the interests of sanitation and the finances of the District Boards together with a list of such markets.

The following replies from the Presidents of District Boards furnishing the information called for in the above :—

1.	Letter	No. 562 dated	1st June 1914	from the President, District Board,	Kadur.
2.	Do	S. 1007 ,,	17th June 1914	Do	Bangalore.
3.	Do	320 ,,	23rd June 1914	Do	Shimoga.
4.	Do	6 ,,	3rd July 1914	Do	Chitaldrug.
5.	Do	22 ,,	17th July 1914	Do	Hassan.
6.	Do	242 ,,	22nd October 1914	Do	Tumkur.
	Do	481 ,,	5th April 1916	Do	
7.	Do	1700 ,,	15th April 1915	Do	Kolar.
8.	Do	208 ,,	4th September 1916	Do	Mysore.

Order No. 5611-8—L. B. 248-13-15, dated 27th February 1917.

From the replies received, it is seen that there are only two markets in the Mysore District and one in the Kolar District which are being held in Inam villages. All the District Boards except Hassan and Kolar are in favour of bringing the markets under their control. The former has expressed no opinion in the matter and the latter suggests that the question of sanitation in private santhes may be left to the Village Committees.

2. Under Section 7 of the Local Boards Regulation II of 1902, the control and administration of all markets situate within the local jurisdiction of a District Board vest primarily in that Board, and the manner in which such control has to be exercised is laid down in Section 31 A. Under the above provision District Boards have a right to control private markets which cannot continue or come into existence without a license, subject to such bye-laws as they may frame with the sanction of Government. No further general orders are therefore necessary on the point.
